2023 *Veterans Honor Trip*

After a three year pause due to COVID-19, the Holmes-Wayne Honor Trip once again celebrated our hometown heroes. Twenty-one local veterans participated in a three-day bus trip to Washington, D.C., Sept. 29 to Oct. 1, to recognize their service. While visiting military memorials and other sites in the nation's capital, a family bond was made amongst the veterans and guardians that will be shared for a lifetime. The event concluded with a special return home parade in Shreve to honor those who have faithfully served our country.

The entire trip is a touching reminder of the sacrifices made to live in the land of the free. Free to the veterans, the trip is fully funded by private donations from individuals and organizations in our community. Each veteran is accompanied by a guardian.

One of many highlights was Arlington National Cemetery, where four veterans — Allen Colter, Jim Grogg, Ken Kinney and Ron Martin — laid a wreath at the Tomb of the Unknown Soldier. It is a sobering experience for all to enter the 639 acres of Arlington, to view the pristine grounds where more than 400,000 veterans are buried. Colter described the experience as “unbelievable, the quiet, sacred ceremony in the middle of a large city. It’s like time stops in Arlington. I’m called a hero but the real heroes are those at Arlington and the families who lost loved ones.”

Vietnam veteran Curt Sheely said, “I especially wanted to see the Vietnam Wall. I wanted to show my respect to those who didn’t make it home. A 200-foot wall with over 58,000 names is heart-stopping. If you are a veteran considering this trip, do it!”

Planning for the honor trip begins nine months in advance. A coordinating team from Holmes-Wayne

Electric, Shreve American Legion Forest Post 67, and Rolling Thunder — Ohio Chapter 2 works diligently to make the trip safe and successful.

Currently in the Air Force, Jeff Burgett has served as a guardian for all five years of the Holmes-Wayne Honor Trip. As an EMT, he also serves on the medical team, which includes a doctor, three EMTs, and a nurse. All serving as guardians, the team is there to assist if any medical needs arise. Burgett shared why he takes the time to participate in the event: “My dad was a Vietnam vet and I feel it’s critical that our veterans know how much we appreciate their service and the importance of hearing and learning their experience to pass on to the next generation.”

Veteran Lynn Johnson, 85, comes from a family rich in military service, with four brothers having served and his son, Steve Johnson, also a veteran, serving as his guardian for the trip. Johnson appreciated the history that is provided throughout the trip. “Elaine, as a retired history teacher and our tour guide, shared insights to each memorial and location we visited. The detail behind every design serves a purpose. It’s comforting to know a commitment continues by our nation to recognize and remember.”

“It is very humbling to participate in,” shared HWECE employee Kenny DePriest, who served as a guardian. “My hope is it provided steps of healing. This trip is a small token we can provide for unbelievable sacrifices our veterans have made. I’m thankful for a community that supports its veterans.”

If you are a local veteran or know of a local veteran interested in the 2024 Holmes-Wayne Honor Trip, please contact us at Holmes-Wayne Electric at 866-674-1055.
