

## MESSAGE FROM THE COOPERATIVE

### What is a cooperative?

In our world, we are reminded every October that it is national co-op month. That may not be something you've ever heard, let alone celebrated. Many are not familiar with cooperatives and their business model and the benefits to you, the member-owner.

It is a unique model that you might not expect from your electric provider. Cooperatives like Holmes-Wayne Electric are deeply committed to our consumers, or as we call you, member-owners. We are glad to be an important part of your life and our community.

**HWEC has a rich history, having been established by community members 89 years ago this month!** In 1930, only 140 residences/farms in Holmes County had electricity. With the assistance of the Farm Bureau and the Federal Rural Utilities Services, a few gentlemen from Holmes and Wayne counties took the lead to establish Holmes Rural Electric Cooperative, Inc., in 1935. They began by speaking at small town meetings and going to individual farms. As farmers began to sign up for membership, the maps of electric lines began to take shape.

**Simply stated: HWEC was formed as a not-for-profit utility built by the communities we serve.**

For HWEC, our mission has always been to provide you with safe, reliable, competitively priced power. With more than 2,300 miles of distribution line and 19 substations, serving more than 18,000 accounts in Holmes, Wayne, Medina, Ashland, Stark, Tuscarawas, Knox and Coshocton counties, we work hard to meet that mission daily.

As a cooperative, we are governed by a nine-member board of trustees, composed of cooperative members who are elected by you! A dedicated staff of 42 employees are on call 24/7, every day of the year.

**Glenn W. Miller**  
PRESIDENT/CEO

Did you know the average residential consumer on Holmes-Wayne's lines uses about 1,350 kilowatt-hours per month?

As a nonprofit cooperative, we allocate any margins received beyond the cost of providing service (profits) to each member's account, based on amounts billed, and return these funds to the members. These assigned margins are referred to as capital credits. On the following pages, you'll read more about capital credits. **Some members are surprised to hear they will receive cash back from their electric provider.**

You also are a member-owner of Buckeye Power, Inc. HWEC purchases all of its electricity from Buckeye Power, which also operates as a co-op. Therefore, all member-owners of Holmes-Wayne Electric are also member-owners of Buckeye Power. This is why you receive communication regarding HWEC and Buckeye Power through this magazine and other avenues.

Beyond the business of electricity, our employees and directors are equally invested in our local community. Why? Because we live here, too. **That's why we work hard to support local economic development projects, youth programs and scholarships, charitable giving initiatives, and additional programs that make our community a better place to call home.**

All co-ops, including HWEC, are guided by the Seven Cooperative Principles, which embody the values and spirit of the cooperative movement. These seven principles — outlined below — are a framework to help all co-ops navigate challenges and opportunities while remaining true to our purpose.

**We care about your quality of life, and because we are locally operated, we're uniquely suited to meet our members' evolving energy needs.**

- 1. Open and Voluntary Membership:** Co-op membership is open to anyone who can use the co-op's services.
- 2. Democratic Member Control:** Members make decisions that shape the cooperative. Why? Because co-ops are created by the members, for the members.
- 3. Members' Economic Participation:** Members contribute money to the co-op to make sure it runs smoothly now and in the future. At Holmes-Wayne, this happens through paying your energy bills.
- 4. Autonomy and Independence:** Co-ops are independent and can operate on their own, which ultimately benefits the members.
- 5. Education, Training, and Information:** Co-ops continuously focus on education to ensure employees have

the training and information they need to make the co-op successful.

- 6. Cooperation Among Cooperatives:** Co-ops share with and learn from other cooperatives. We help each other out in times of need because we want other co-ops to thrive.
- 7. Concern for Community:** All cooperatives work for the greater good of the local communities they serve. Co-ops give back to their communities to help them thrive and grow.

**This October, as we celebrate National Co-op Month and the power of membership, we hope you will recognize the many aspects that set electric cooperatives apart. Our mission is reliable power. Our purpose is people — the local communities we're proud to serve.**

# EVERY MEMBER GETS A PIECE OF THE PIE

You're more than a consumer — you're an owner of Holmes-Wayne Electric Cooperative. Capital credits represent this ownership and are one of the most unique and rewarding benefits you enjoy as a member.

Unlike investor-owned utilities, which maximize profits to pay shareholders, your not-for-profit cooperative provides electricity at cost. At the end of the year, we return excess funds to members after all expenses have been covered.

The capital credits amount you receive is based on the amount you paid for electric service during the years considered for capital credits retirement.

## HOW CAPITAL CREDITS WORK

1 The money to cover the co-op's operating expenses comes from members paying their electric bills.

2 At the end of the year, we subtract our operating expenses from the amount of money collected. The money left is called margins.

3 Each year, margins are allocated to your capital credit account based on the amount you paid for electric service.

4 Our board of trustees evaluates the financial stability of the co-op to determine if we can retire capital credits.

5 When we retire capital credits, we withdraw margins from your capital credits account and send them to you as a check or as a credit on your bill.

# Unclaimed capital credits

In 2020, Holmes-Wayne Electric Cooperative, Inc., mailed a general retirement of capital credits. Many checks were returned to us as undeliverable and, to date, these refunds remain unclaimed. Per the cooperative's code of regulations, the unclaimed capital credits are reallocated to current cooperative members four years after the original mailing and following two consecutive notices

in this publication. This is the first notice. Anyone with information on these members (or their heirs) whose names and last known residences are listed is asked to contact the cooperative office toll-free at 866-674-1055, ext. 244. Contact must be made by Jan. 1, 2025, 60 days following the second publication of this notice.

# Congratulations to

**Missy Davis**  
Accounting/Billing Manager

**Michael Martin**  
Millersburg Line Supervisor

**Missy Davis and Michael Martin for their recent promotions.**

Their commitment and dedication to the cooperative have significantly contributed to HWEC initiatives and goals. They bring a combined 29 years of HWEC experience. We are confident they will continue to excel in their new roles.

## Nondiscrimination Statement

Holmes-Wayne Electric Cooperative, Inc., is an equal opportunity provider and employer. If you wish to file a Civil Rights program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, found online at [http://www.ascr.usda.gov/complaint\\_filing\\_cust.html](http://www.ascr.usda.gov/complaint_filing_cust.html) or at any USDA office, or call 866-632-9992 to request the form. You may also write a letter containing all of the information requested in the form. Send the completed complaint form or letter to us by mail at U.S. Department of Agriculture, Director, Office of Adjudication, 1400 Independence Ave. SW, Washington, D.C., 20250-9410; by fax at 202-690-7442; or by email at [program.intake@usda.gov](mailto:program.intake@usda.gov).

## Community Safety

**Farm machinery and other pieces of equipment are at risk of making contact with power lines. Look up before extending equipment and remember the safety steps if you do make contact.**

**If your equipment makes contact with an energized or downed power line:**

- **Contact us immediately and remain inside the cab until the power line is de-energized.**
- **In case of smoke or fire, exit the cab by making a solid jump out of the cab, without touching it at the same time, and hop away to safety.**

# HOLMES-WAYNE ELECTRIC COOPERATIVE LOCAL PAGES

## Medical Awareness Certification form

Is someone living in your home with a medical condition that requires electrical assistance? If so, you must notify Holmes-Wayne by completing the form below to be added to, or remain on, our Medical Awareness list.

Holmes-Wayne Electric makes every effort to keep power flowing to all our members. Because of factors beyond our control, it always is our recommendation that you create a backup plan in case of a power outage. This may be as simple as having a small generator or another location to relocate to if such a case would occur.

All members who maintain up-to-date contact information are notified for planned outages for maintenance and repair.

For uncontrollable outages such as weather conditions or car accidents, power is restored through a safe and efficient remediation process.

Members on the medical list are given first consideration when individual line and/or meters are being restored. **The Medical Awareness Certification form must be completed on an annual basis.**

### Holmes-Wayne Electric Cooperative, Inc. — Medical Awareness Certification

**If you or someone in your home is dependent on medical equipment operated by electricity, please provide the following information.**

Name \_\_\_\_\_ Account number \_\_\_\_\_

Address \_\_\_\_\_ Phone number \_\_\_\_\_

\_\_\_\_\_ Cellphone \_\_\_\_\_

**We request that the attending physician please complete and certify the following information.**

Equipment in use \_\_\_\_\_

Physician's signature \_\_\_\_\_ Date \_\_\_\_\_

**Return completed form in your next bill or to: Holmes-Wayne Electric Cooperative Inc.  
Attn: Medical Awareness List  
P.O. Box 112; Millersburg, OH 44654  
Fax: 330-674-1869 • Email: [newmember@hwecoop.com](mailto:newmember@hwecoop.com)**
