

MESSAGE FROM THE PRESIDENT/CEO

For me, this is a time of year for reflection, and topping my list of things I'm grateful for is our wonderful community. I know I speak for all Holmes-Wayne Electric employees when I say that we are thankful to be in such an incredible place. We are fortunate to live in the same place where we work, which makes our ties to this community that much stronger.

On the following page you will notice one way you also can become more involved in our community and the cooperative. You can express interest in our nominating committee. This committee is involved in the selection of HWEC board candidates that each cooperative member can vote for annually.

Also, you may have even considered running for our board. If you would like more information, please reach out. It's exciting to know that we continue the cooperative business model. We are operating autonomously and solely directed and guided by our members reflecting the values and need of our local community. This means the co-op is not being influenced by leaders or shareholders several states away. Instead, the co-op is led by the local members it serves.

Every month this publication allows our members to stay in tune with the activities of your local cooperative while educating you on industry specific information and state of Ohio events. It's a unique benefit to being a member and receiving electricity from us. It's another way we keep our members engaged in the cooperative and community.

You also often see in this publication and on Facebook the variety of ways our employees and programs support the community. Recently, HWEC staff made donations to buy meals for local law enforcement and cookie trays to our local community hospitals.

HWEC also offers specific programs that promote our local youth development. This fall a high school football lineman from each local high school we serve was recognized and received a small gift from the cooperative. You also will notice our Power Students program promoted this month. Students in 6-8 grade can be recognized for their commitment to educational achievements. And next month, we will be promoting our annual high school senior scholarships with \$20,200 distributed to 10 area graduating seniors pursuing higher education.

Concern for our community is essential to who we are as a cooperative. We serve our community not only by being an essential service but by helping to power our local economy. Whether through volunteering, donating to local causes, or creating enriching community programs, we invest in our corner of the world because it's our home too.

I think you'll find that most cooperatives bring good people together to make good things happen in the community. We hope you feel that way about us, your local electric co-op.

On behalf of everyone at Holmes-Wayne Electric Cooperative, we're thankful for your membership, and we hope you have a wonderful Thanksgiving.

Glenn W. Miller
PRESIDENT/CEO

Want to get involved with your electric cooperative?

Your co-op is seeking trustee nominees and volunteers to serve on the nominating committee

As a member of Holmes-Wayne Electric Cooperative, you are an owner of your electric cooperative. You have an opportunity every June to express your ownership interest by exercising the cooperative principal of “one member, one vote” during the annual trustee election

The HWEC nine-member board of trustees is the governing body of your cooperative. The board meets monthly to review and renew policies, make business decisions concerning the cooperative, review financial performance, establish rates, and approve all patronage capital credits payments.

At the November board meeting, trustees at Holmes-Wayne Electric Cooperative will appoint a nominating

committee, which will be responsible for selecting candidates for the 2022 Holmes-Wayne Electric Board of Trustees election. The nine-member committee consists of one member who resides in each of the nine districts.

The nominating committee will meet in early 2022 at the cooperative office to select nominees for trustees from District 2, District 8, and District 9. The committee selects qualified candidates based on members’ applications.

If you are interested in participating in the nominating committee or running for trustee, please contact HWEC’s Shay Lynch at 866-674-1055 to receive more information.

HWEC service territory

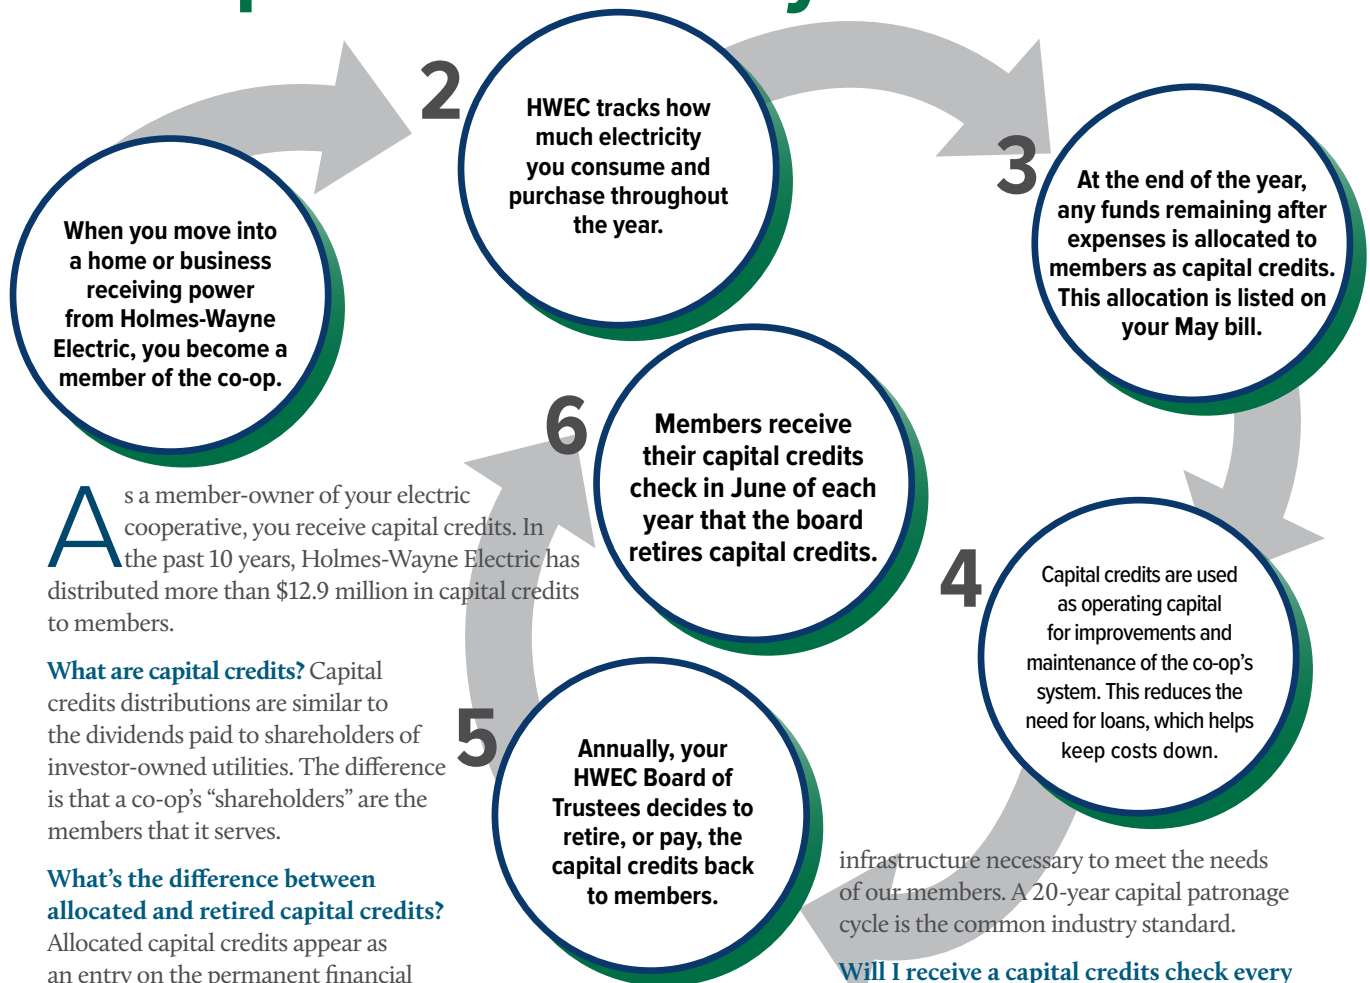

District 8 – Canaan, Green, Milton, and Wayne townships in Wayne County

District 9 – East Union, Franklin, Salt Creek, and Wooster townships in Wayne County

District 2 – Clark, Monroe, New Castle, and Tiverton townships in Coshocton County; Killbuck, Knox, and Richland townships in Holmes County; and Jefferson and Union townships in Knox County

The capital credits cycle

As a member-owner of your electric cooperative, you receive capital credits. In the past 10 years, Holmes-Wayne Electric has distributed more than \$12.9 million in capital credits to members.

What are capital credits? Capital credits distributions are similar to the dividends paid to shareholders of investor-owned utilities. The difference is that a co-op's "shareholders" are the members that it serves.

What's the difference between allocated and retired capital credits?

Allocated capital credits appear as an entry on the permanent financial records and reflect your equity, or ownership, in HWEC. Every year, the cooperative notifies its member-owners of the amount added to their patronage capital account through a printed notice on their May electric bills.

How are capital credits calculated? Each year, net margins of the cooperative are divided among the members based on each member's electric bills for the year. The more a member contributes to the co-op's revenues, the greater the capital credits allocated to their account.

When will I receive a capital credits check? When capital credits are retired, a check is issued to you. Most recently, the HWEC Board of Trustees approved the retirement of capital credits from 2000 and 2001. Members who joined the cooperative since 2000–01 have not yet received a general capital credits retirement. The unretired capital credits, or "equity" of the cooperative, serves a vital function — allowing the cooperative to operate economically and effectively, while investing in the

infrastructure necessary to meet the needs of our members. A 20-year capital patronage cycle is the common industry standard.

Will I receive a capital credits check every year?

The board of trustees must authorize a retirement before you receive a check. The board must consider the financial condition of the cooperative, the need for cash, and the availability of loan funds.

What happens to my capital credits when I leave

HWEC's service area? Capital credits remain on the books in your name and member number until they are retired. HWEC makes payments to current and former members, so please ensure that we have your current mailing address.

What are unclaimed capital credits? Sometimes we are not able to reach members after they have moved, leaving their capital credits "unclaimed." The following pages are a list of members who have not claimed their capital credits. If you recognize any of the names listed, please have the person contact our office toll-free at 866-674-1055. HWEC also needs to be notified by a relative or other legal representative when a member passes away so that the account can be closed or transferred to another person's name.

HOLMES-WAYNE ELECTRIC COOPERATIVE LOCAL PAGES

Unclaimed capital credits

In 2017, Holmes-Wayne Electric Cooperative Inc. mailed a general retirement of capital credits. Many checks were returned to us as undeliverable and, to date, these refunds remain unclaimed. Per the cooperative's Code of Regulations, the unclaimed capital credits are reallocated to current cooperative members four years following the original mailing and following two consecutive notices in this publication. This is the second notice. Anyone with information on these members or their heirs whose name and last known residence is listed is asked to contact the cooperative office toll-free at 866-674-1055. Contact must be made by Jan. 1, 2022, 60 days following the second publication of this notice.

Certification of Active Duty Deployment

The cooperative will not disconnect electric service to the residential premises of any residential member who is deployed on active duty for nonpayment for electricity provided to the residential premises.

Upon return of the residential member from active duty, the cooperative will offer the residential member a period of time equal to duration of deployment on active duty to pay any arrearage incurred during the period of deployment. If the time period the cooperative offers the residential member for repayment presents a hardship, the member may request a longer period to repay the arrearage. No late payment fees or interest will be charged to the residential member during the period of deployment or the repayment period.

“Active duty” means active duty pursuant to an executive order of the President of the United States, an act of the Congress of the United States, or section 5919.29 or 5923.21 of the Ohio Revised Code.

The residential member must resume the timely payment of all charges for electric service provided by the cooperative after the return from active duty deployment.

In order to avoid disconnection of electric service for nonpayment of electric service during a period of active duty deployment, a completed Certification of Active Duty Deployment form must be submitted to the cooperative. Certification of Active Duty Deployment forms are available from the cooperative upon request.

Want to help someone in the community?

The holidays are quickly approaching, and it's been a tough year for everyone. Many have reached out, asking to help neighbors and loved ones with their utility bills. A gift certificate to assist a Holmes-Wayne Electric Cooperative

member might just be the ideal present for your parents, grandparents, children, or someone in need. If you're looking for a useful present for someone you know

who is a member of Holmes-Wayne Electric Cooperative, contact us toll-free at 866-674-1055. You have the option of remaining anonymous when giving a gift card.

Nondiscrimination Statement

Holmes-Wayne Electric Cooperative, Inc., is an equal opportunity provider and employer. If you wish to file a Civil Rights program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, found online at http://www.ascr.usda.gov/complaint_filing_cust.html or at any USDA office, or call 866-632-9992 to request the form. You may also write a letter containing all of the information requested in the form. Send the completed complaint form or letter to us by mail at U.S. Department of Agriculture, Director, Office of Adjudication, 1400 Independence Ave. SW, Washington, D.C., 20250-9410; by fax at 202-690-7442; or by email at program.intake@usda.gov.

POWER STUDENTS PROGRAM

Education helps shape the leaders of tomorrow. That's why Holmes-Wayne Electric Cooperative wants to recognize students in grades 6–8 for their hard work and dedication to education.

Here's how it works!

Students in grades 6–8, whose parents or guardians are members of Holmes-Wayne Electric Co-op, are eligible to apply.

Students must have a minimum of three A's on their most recent report card (less than six months old).

A copy of the report card must be submitted by mail to: Holmes-Wayne Electric Co-op, Attn: Robyn Tate, P.O. Box 112, Millersburg, OH 44654.

Entry grade card must include student's name, parent/guardian name(s), school, grade, address (not published), and contact phone number (not published).

Entries will be placed into a drawing for each grading period. The next drawing date will be Dec. 10, to allow approximately one month after the end of the grading period for entry submission.

Three winners will be drawn every grading period (Feb. 10, April 10, July 10, and Dec. 10).

An entry is good for two drawings, and a student cannot win more than once a year.

Winners will receive a \$25 gift card. Their photo will be published in *Ohio Cooperative Living* and on the HWEC website and Facebook page.

The photo can be taken by HWEC staff or submitted along with a photo release form signed by a parent/guardian.

Please contact us at 866-674-1055 with any questions.
