

MESSAGE FROM THE PRESIDENT/CEO

THANKFUL FOR OUR COMMUNITY AND OUR MEMBERS

Author Anthony J. D'Angelo said, "Without a sense of caring, there can be no sense of community."

To a large degree, this reflects Holmes-Wayne Electric Cooperative's philosophy toward our members and the broader service territory that we serve. As a cooperative, we have a different bottom line. While our priority is always to provide reliable and safe energy, there is another, equally important part of this equation. Your well-being and that of the larger community we serve are of paramount concern.

To us, you are not just a customer; you are a member of our cooperative, and without you, we would not exist.

In 1935, Holmes-Wayne Electric was founded to fulfill a vital need in our community that would not have otherwise been met. Concerned local leaders came together to build this co-op and bring electricity where there was none.

At that time, members of the community understood we were different because they likely knew someone who helped to create HWEC. For most people, our founding and its circumstances have been long forgotten. Over time, folks in the community may have come to think of us as simply another energy provider. But we are not. We are a co-op that is constantly evolving to meet the needs of the communities we serve, and we are able to do this because of members like you.

Since our inception, we have sought feedback and engagement from you and that of the larger community to

guide our long-term decisions. This is why we hold annual meetings and annually survey our membership on their satisfaction.

We strive to find new ways to help you use energy more efficiently. We're always looking to explore more options that will help you manage your energy use, such as home energy audits and budget billing. In short, we are always seeking to keep pace with the changing energy environment, evolving technology, and shifting consumer expectations.

HWEC members help guide important co-op decisions that improve and enrich the community. We value the perspective of our board members, who are members of the co-op and community, just like you.

As a local business, we have a stake in the community. That's why we support local charitable organizations through our Operation Round Up. When you support these efforts, you are supporting the community and making it a better place for everyone.

While the times may have changed, our mission and outlook have not. We view our role as a catalyst for good. Working together and maintaining a sense of caring, we can accomplish great things for our community now and in the future.

Glenn W. Miller
PRESIDENT/CEO

Thankful

Be a part of your cooperative's democratic process

Run for HWEC trustee in 2020

As a member of Holmes-Wayne Electric Cooperative, you are an owner of your electric cooperative. You have an opportunity every June to express your ownership interest by exercising the cooperative principle of Democratic Member Control during the annual trustee election.

The HWEC nine-member board of trustees is the governing body of your cooperative. The board meets monthly to review and renew policies, make business decisions concerning the cooperative, review financial performance, establish rates, and approve all patronage capital credit payments.

At the November board meeting, trustees at Holmes-Wayne Electric Cooperative will appoint a nominating committee, which will be responsible for selecting

candidates for the 2020 Holmes-Wayne Electric Board of Trustees election. The committee consists of six or more members, with at least one member who resides in each district for which a trustee is to be elected.

The nominating committee will meet in early 2020 at the cooperative office to select nominees for trustees from District 4, District 5, and District 6. The committee selects qualified candidates based on members' applications.

A minimum of two names shall be on a ballot to be voted on by all member-owners of the cooperative in June 2020 for District 4, District 5, and District 6.

If you are interested in running for trustee, please contact HWEC's Shay Lynch at 866-674-1055 to receive an application, which the nominating committee will then review.

HWEC service territory

District 6 – Chester and Plain townships in Wayne County

District 5 – Hardy, Monroe, and Prairie townships in Holmes County

District 4 – Berlin, Clark, Mechanic, and Salt Creek townships in Holmes County

Certification of Active Duty Deployment

The cooperative will not disconnect electric service to the residential premises of any residential member who is deployed on active duty for nonpayment for electricity provided to the residential premises.

Upon return of the residential member from active duty, the cooperative will offer the residential member a period of time equal to duration of deployment on active duty to pay any arrearage incurred during the period of deployment. If the time period the cooperative offers the residential member for repayment presents a hardship, the member may request a longer period to repay the arrearage. No late payment fees or interest will be charged to the residential member during the period of deployment or the repayment period.

“Active duty” means active duty pursuant to an executive order of the President of the United States, an act of the Congress of the United States, or section 5919.29 or 5923.21 of the Ohio Revised Code.

The residential member must resume the timely payment of all charges for electric service provided by the cooperative after the return from active duty deployment.

In order to avoid disconnection of electric service for nonpayment of electric service during a period of active duty deployment, a completed Certification of Active Duty Deployment form must be submitted to the cooperative. Certification of Active Duty Deployment forms are available from the cooperative upon request.

Nondiscrimination Statement

Holmes-Wayne Electric Cooperative, Inc., is an equal opportunity provider and employer. If you wish to file a Civil Rights program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, found online at http://www.ascr.usda.gov/complaint_filing_cust.html or at any USDA office, or call 866-632-9992 to request the form. You may also write

a letter containing all of the information requested in the form. Send the completed complaint form or letter to us by mail at U.S. Department of Agriculture, Director, Office of Adjudication, 1400 Independence Ave. SW, Washington, D.C., 20250-9410; by fax at 202-690-7442; or by email at program.intake@usda.gov.

Electricity theft and meter tampering are dangerous and illegal

Since August 1978, a revised Ohio law has been in effect covering theft of utility service and tampering with utility equipment. The statute provides that a person does not have to be seen tampering with a meter to be held responsible for such action. Prior to the revision in the law, it was difficult to prosecute a person for meter tampering unless the action was witnessed.

In addition, reconnecting a user's device that was disconnected by a utility is now considered prima facie evidence that the user intended to defraud the utility. The law defines theft of a utility service as a first-degree misdemeanor if the value of the stolen electricity, plus any utility equipment repair, is under \$150. It's a fourth-degree felony if the value is more than \$150 or if the offender was previously convicted of the charge. Tampering convictions carry similar penalties.

Tampering is defined as "to interfere with, damage or bypass a utility meter, conduit, or attachment with intent to impede the correct registration of a meter or the proper function of a conduit or attachments." Conviction can bring from six months in jail and a \$1,000 fine to five years in jail and a \$2,500 fine.

Holmes-Wayne Electric holiday gift cards

The holidays are quickly approaching, and if you're having trouble finding the perfect gift for family and friends, consider the gift of assisting with their monthly utility bill.

A gift certificate to assist a Holmes-Wayne Electric Cooperative member might just be the ideal present for your parents, grandparents, children, or someone in need. It's not just for holidays or birthdays, though — you can also help someone going through a tough time.

If you're looking for a useful present for someone you know who is a member of Holmes-Wayne Electric Cooperative, contact us toll-free at 866-674-1055. Gift cards have the option of remaining anonymous.

Unclaimed capital credits

In 2014, Holmes-Wayne Electric Cooperative, Inc. mailed a general retirement of capital credits. Many checks were returned to us as undeliverable and, to date, these refunds remain unclaimed. Per the cooperative's Code of Regulations, the unclaimed capital credits are reallocated to current cooperative members four years following the original mailing and following two consecutive notices in this publication. This is the second notice. Anyone with information on these members or their heirs whose name and last known residence is listed, is asked to contact the cooperative office toll-free at 866-674-1055. Contact must be made by Jan. 1, 2020, 60 days following the last date of the publication of this notice.

Fall back!

Daylight saving time ends Sunday,
 Nov. 3. Remember to set your clocks
 back one hour!

Happy Thanksgiving

The office will be closed
 Nov. 28 and 29 for
 Thanksgiving. You can
 contact us toll-free at
 866-674-1055 or use our
 online portal or mobile
 app, SmartHub, to
 report an outage, make
 a payment, or submit a
 meter reading.
